

# Strengthen your data communication!

Don't let poor data graphics dilute your message. Health practitioners and educators need to counter misinformation and to showcase the importance of their research to regulating bodies, funders, their own institutions, the media, and the public.

Date: Wednesday, April 8<sup>th</sup>, 2026 9a-6p

Location: @ ASPPH headquarters  
1615 L Street NW  
Washington DC 20036

**Join us** for a 1-day workshop to improve how you communicate qualitative, textual, and quantitative data findings.

**Cost:** \$150 USD. Some scholarships are available. Seating is limited.

**Apply now!** <https://forms.gle/dUSEz7e4VSHUFAPh6>

**Teach Global Health** is excited to offer this phenomenal one-day workshop to help participants build better graphics that communicate evidence-based messages for their various audiences. Data visualization experts from Evergreen Data will lead this hands-on workshop. Participants must provide their own laptop with MS Excel.
